How We Will Calculate Your Balance: We use a method called "Average Daily Balance (excluding new transactions): Interest Charges will accrue on your average daily balance during the month. To get the average daily balance, we take the beginning balance each day (excluding new purchases) and subtract any payments and credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide that by the number of days in the billing cycle. We then multiply that by the periodic rate corresponding to the Annual Percentage Rate on your account.

Procedures for Opening a New Account (USA Patriot Act): To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means to you: When you open an account, we will ask for your

name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Notice to Active Duty Service Members and Dependents: If you would like more information regarding your account, please call us at 1-800-742-2848.

How the Variable APRs on your Account are Determined: The APRs on your Account will be determined each billing cycle by adding a margin to the Index. Please see your Agreement for more information.

Margins: For Purchases and Balance Transfers and Cash Advances, 9.0% will be added to the current Wall Street Journal Prime Rate.

Index: The APRs that apply to your Account are subject to change each Billing Cycle with changes to the Index. The Index is the Prime Rate (U.S.) as published in the Money Rates section of The Wall Street Journal. As of 07/15/2020, the Prime Rate was 3.25%.

About This Credit Card Program: This credit card program is issued and administered by R.I.A. Federal Credit Union, located in Bettendorf, IA. Any Account opened in response to this application shall be governed by the laws of the State of Iowa. MasterCard is a registered trademark of MasterCard International Incorporated and is used pursuant to a license.

Card Eligibility: To be eligible for an Account, you must meet certain minimum income, residency, age, credit quality and other requirements.

Balance Transfers: You may be able to transfer balances from eligible credit card accounts to your Account. **Balance Transfers are subject to a fee based on the amount of the transfer with a minimum fee as indicated in the Fees Table and are subject to your available credit limit.**

Should your Balance Transfer request be approved, the **amount of the Balance Transfer transaction fee will be added to your minimum monthly payment amount** in the month the balance transfer posts to your account. Each month you must pay at least the full amount of your minimum monthly payment which will include any Balance Transfer transaction fee(s) by the payment due date specified on that statement. We may limit the number and types of credit card accounts from which we will allow Balance Transfers, and the times, manner, and circumstances in which Balance Transfers may be requested. Balance Transfers may not be payable to yourself or made payable to cash. Balance Transfers may be used to pay off other creditors but cannot be used to pay off accounts owned by R.I.A. Federal Credit Union or to any bank now or previously affiliated with R.I.A. Federal Credit Union.

It may take 2 to 4 weeks to process a Balance Transfer request after your account is opened. You must continue paying each of your creditors until the requested Balance Transfer appears on your monthly billing statement sent to you by your creditor as a credit. Your other credit card account(s) will not be closed even if you transfer your entire balance(s). If you want to close an account, please contact your other creditors directly.

Introductory or Promotional APRs on Balance transfers: If you take advantage of a 0% Introductory or Promotional Annual Percentage Rate (APR) balance transfer offer and then you use your Account to make new purchases, you can avoid paying interest on those new Purchases if you pay each month by payment due date, the amount that equals 1) the Minimum Payment Due, plus 2) the total outstanding Purchase balance; plus 3) the total of any outstanding balance(s) that is not at a 0% promotional APR, such as a cash advance; plus 4) any account fees.

Transfers requested with Convenience Checks are processed as Cash Advances, not as Balance Transfers. If you have a dispute with a creditor and pay that creditor with a Balance Transfer or Convenience Check, you may lose certain dispute rights with that creditor.

Credit Reports: You agree that we have a right to obtain a credit report in connection with our review of your application and if approved after we establish the Account, to administer the Account. You agree that we may report to others our credit experience with you. At your request we will provide the name and address of each consumer-reporting agency from which we obtained a report about you.

- Points earned are estimated based on the authorization amount reported by retailers and are subject to be changed based on returns and retailer adjustments.

How are Points converted to Cash Back?

- You may redeem for Cash Back once you have accumulated at least 500 Points as a statement credit. **Account statement credits will reduce your outstanding balance, but you are still required to make at least your minimum monthly payment.**
